SUMMARY

First-year HND IT student with a strong analytical foundation from Engineering Technology A/L background. Currently building essential IT fundamentals through my HND program, with a clear interest in developing toward cybersecurity specialization in the future. Seeking to learn, grow, and contribute while establishing my technical foundation.

SKILLS

- Computer Hardware & OS Fundamentals
- Networking Basics (TCP/IP, Configurations)
- C# Programming Logic
- HTML, CSS & JavaScript Web Development
- Microsoft Office Applications

LANGUAGES

- Tamil: Native
- Sinhala: Fluent in speaking and writing
- English: Basic conversational proficiency; actively improving
